

HarlequinTM Standfast

Harlequin Standfast is a durable multi-purpose homogeneous vinyl performance floor with a slip-resistant surface. It is an ideal heavy-duty floor for studios as well as stage flooring for dance studios and theatres.

Installation: Harlequin Standfast is specified for permanent installation, the joins are heat welded to form a continuous performance surface. It can be laid on any hard, smooth subfloor and is an excellent choice as a vinyl performance surface in conjunction with a Harlequin sprung floor.

Usage: Harlequin Standfast is suitable for theatre, drama and many genres of dance including percussive dance (flamenco, Irish and tap), hip-hop, jazz, street and Zumba. It is also ideal as a multi-use stage floor.
